Full to the Brim with Fizz, Ginger, and Fierce Determination Tori Butler-Hart 2021-06-30 Want to learn valuable secrets about making your own low-budget films? This book is at once Tori and Matthew Butler-Hart's personal account of their ten-year adventure running their own film production company and a manual loaded with tips on how to survive—and thrive—in the modern independent movie business. Since founding Fizz and Ginger Films in 2009, the Butler-Harts have spent the past decade writing, producing, directing, line producing, and promoting both their own and other people's films. In *Full to the Brim with Fizz, Ginger and Fierce Determination*, the duo looks back and takes stock of what they've learned in their sometimes turbulent creative journey. Rather than a step-by-step guide of how-tos, Tori and Matthew offer real-life lessons in making independent feature films, including useful tips and pitfalls to avoid. From the very first stages of writing a screenplay to securing financing, producing and shooting the movie, post-production and distribution—each area is explored and explained through anecdotes and interviews with other professionals involved in the industry, including Sir Ian McKellen, Stephen Fry, and legendary producer Margaret Matheson. *Full to the Brim with Fizz, Ginger and Fierce Determination* is a must-read for young actors, writers, directors, producers, or all of the above, hoping to tell their own stories through the magical art of moving pictures.

Bright Young People D J Taylor 2010-09-30 *Bright Young People*/ Making the most of our youth/ They talk in the Press of our social success/ But quite the reverse is the truth. [Noel Coward] The Bright Young People were one of the most extraordinary youth cults in British history. A pleasure-seeking band of bohemian party-givers and blue-blooded socialites, they romped through the 1920s gossip columns. Evelyn Waugh dramatised their antics in *Vile Bodies* and many of them, such as Anthony Powell, Nancy Mitford, Cecil Beaton and John Betjeman, later became household names. Their dealings with the media foreshadowed our modern celebrity culture and even today, we can detect their influence in our cultural life. But the quest for pleasure came at a price. Beneath the parties and practical jokes was a tormented generation, brought up in the shadow of war, whose relationships - with their parents and with each other - were prone to fracture. For many, their progress through the 'serious' Thirties, when the age of parties was over and another war hung over the horizon, led only to drink, drugs and disappointment, and in the case of Elizabeth Ponsonby - whose story forms a central strand of this book - to a family torn apart by tragedy. Moving from the Great War to the Blitz, *Bright Young People* is both a chronicle of England's 'lost generation' of the Jazz Age, and a panoramic portrait of a world that could accommodate both dizzying success and paralysing failure. Drawing on the writings and reminiscences of the Bright Young People themselves, D.J. Taylor has produced an enthralling social and cultural history, a definitive portrait of a vanished age.

Bright Young Things Alison Maloney 2013 An illustrated lifestyle guide to the fashion, parties and notorious personalities of the 1920s celebrates everything from jazz and all-night dance halls to Prohibition cocktails and flappers, in a volume complemented by art deco illustrations and a foil-stamped case. By the author of the best-selling *Strictly Come Dancing Annual* 2008. 15,000 first printing.

James Sherwood's Discriminating Guide to London James Sherwood 2016-03-15 The discerning traveler's guide to the very finest experiences that London has to offer James Sherwood, author of a number of definitive publications on English

sartorial style, is the quintessential man-about-town. In this witty, opinionated, and discerning guide to London, he draws on many years of partaking in the very best that the metropolis has to offer. Whether you want to breakfast like a king, drink cocktails in the company of sophisticated British personalities, or shop for antique jewelry, this handy volume will take you there. Beautifully packaged and produced, with stylish line illustrations, James Sherwood's *Discriminating Guide to London* includes information, advice, and a sardonic wit not to be found elsewhere. Sherwood's supreme taste coupled with his firsthand knowledge of some of the most exclusive, exciting spots in London makes this guide a must-have for city slickers and jet setters alike. James Sherwood's *Discriminating Guide to London* is inspired by a 1970s publication of the same name by another James Sherwood (no relation) who is today the owner of the Orient-Simplon Express and luxury hotels and restaurants around the world. The older Sherwood contributes a foreword to this new guide.

The Brinkley Girls Nell Brinkley 2009-01-01 For over thirty years Nell Brinkley's beautiful girls pirouetted, waltzed, Charlestoned, vamped and shimmied their way through the pages of William Randolph Hearst's newspapers, captivating the American public with their innocent sexuality. This sumptuously designed oversized hardcover collects Brinkley's breathtakingly spectacular, exquisitely colored full page art from 1913 to 1940. Here are her earliest silent movie serial-inspired adventure series, "Golden Eyes and Her Hero, Bill;" her almost too romantic series, "Betty and Billy and Their Love Through the Ages;" her snappy flapper comics from the 1920s; her 1937 pulp magazine-inspired "Heroines of Today." Included are photos of Nell, reproductions of her hitherto unpublished paintings, and an informative introduction by the book's editor, Trina Robbins. p.pl {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

The Rough Guide to Turkey 2010

Genius Denied Jan Davidson 2007-11-01 With all the talk of failing schools these days, we forget that schools can fail their brightest students, too. We pledge to "leave no child behind," but in American schools today, thousands of gifted and talented students fall short of their potential. In *Genius Denied*, Jan and Bob Davidson describe the "quiet crisis" in education: gifted students spending their days in classrooms learning little beyond how to cope with boredom as they "relearn" material they've already mastered years before. This lack of challenge leads to frustration, underachievement, and even failure. Some gifted students become severely depressed. At a time when our country needs a deep intellectual talent pool, the squandering of these bright young minds is a national tragedy. There are hundreds of thousands of highly gifted children in the U.S. and millions more whose intelligence is above average, yet few receive the education they deserve. Many school districts have no gifted programs or offer only token enrichment classes. Education of the gifted is in this sorry state, say the Davidsons, because of indifference, lack of funding, and the pernicious notion that education should have a "leveling" effect, a one-size-fits-all concept that deliberately ignores the needs of the gifted. But all children are entitled to an appropriate education, insist the authors, those left behind as well as those who want to surge ahead. The Davidsons show parents and educators how to reach and challenge gifted students. They offer practical advice based on their experience as founders of a nonprofit organization that assists gifted children. They show parents how to become their children's advocates, how to win support for gifted students within the local schools, and when and how to go outside the school system. They discuss everything from acceleration ("skipping" a grade) to homeschooling and finding mentors for children. They tell stories of real parents and students who overcame poor schooling environments to discover the joy of learning. *Genius Denied* is an inspiring book that provides a beacon of hope for children at risk of losing their valuable gift of intellectual potential.

Native Sons James Baldwin 2009-03-12 James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together—the story "Dark Runner" and the play *Equal in Paris*, both published here

for the first time. Though a world of difference separated them—Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married, with a growing family to support—the two men shared the same fundamental passion. Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, “You are the only friend with whom I feel comfortable about all three: heart, head, and writing.” In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin’s *Notes of a Native Son*, in which Baldwin’s main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin’s birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters.

Mitford Girls’ Guide to Life Lyndsy Spence 2013-08-01 The six Mitford girls were blessed with beauty, wit and talent, yet they led very distinct, cultural lives and not one sister, except for Diana and Unity, shared the same opinion or ideology. Nancy Mitford was the ultimate tease and her talent for mockery reformed the publishing industry in the 1930s and ‘40s. Indeed, the Mitford girls’ popularity provoked Jessica to label it ‘The Mitford Industry’. As individuals they exploited their attributes to the best of their abilities, and through difficult times they used laughter as their remedy. Their life experiences, although sometimes maddening, are a lesson to us all. How would the Mitford girls cope with the pressures and turmoil of modern life? Whether it is Pamela’s guide to throwing a jubilee party, Nancy’s guide to fashion or Diana’s tips on how to stay young, this quirky and fact-filled book draws on rare and unpublished interviews and information to answer that question.

Cecil Beaton’s Bright Young Things 2020-04-21 The stylish and extravagant world of the “Bright Young Things” of 1920s and ‘30s London, seen through the eye of renowned British photographer Cecil Beaton In 1920s and ‘30s Britain, Cecil Beaton used his camera and his larger-than-life personality to mingle with that flamboyant and rebellious group of artists, writers, socialites and partygoers who became known as the “Bright Young Things.” Famously fictionalized by the likes of Evelyn Waugh (in *Vile Bodies*), Anthony Powell and Henry Green, these men and women cut a dramatic swathe through the epoch and embodied its roaring spirit. In a series of themed chapters, covering Beaton’s first self-portraits and earliest sitters to his time at Cambridge and as principle society photographer for *Vogue* and *Vanity Fair*, over 50 leading figures who sat for Beaton are profiled and the dazzling parties, pageants and balls of the period are brought to life. Among this glittering cast are Beaton’s socialite sisters Baba and Nancy Beaton, Stephen Tennant, Siegfried Sassoon, Evelyn Waugh and Daphne du Maurier. Beaton’s photographs are complemented by a wide range of letters, drawings, book jackets and ephemera, and contextualised by artworks created by those in his circle, including Christopher Wood, Rex Whistler and Henry Lamb. Cecil Beaton (1904-80) is one of the most celebrated British portrait photographers of the 20th century and is renowned for his images of elegance, glamour and style. Beaton quickly developed a reputation for his striking and fantastic photographs, which culminated in his portraits of Queen Elizabeth in 1939. Also well known as a diarist, Beaton became a society fixture in his own right. His influence on portrait photography was profound and lives on today in the work of many contemporary photographers.

The Ode Less Travelled Stephen Fry 2006-08-17 Comedian and actor Stephen Fry’s

witty and practical guide, now in paperback, gives the aspiring poet or student the tools and confidence to write and understand poetry. Stephen Fry believes that if one can speak and read English, one can write poetry. In *The Ode Less Travelled*, he invites readers to discover the delights of writing poetry for pleasure and provides the tools and confidence to get started. Through enjoyable exercises, witty insights, and simple step-by-step advice, Fry introduces the concepts of Metre, Rhyme, Form, Diction, and Poetics. Most of us have never been taught to read or write poetry, and so it can seem mysterious and intimidating. But Fry, a wonderfully competent, engaging teacher and a writer of poetry himself, sets out to correct this problem by explaining the various elements of poetry in simple terms, without condescension. Fry's method works, and his enthusiasm is contagious as he explores different forms of poetry: the haiku, the ballad, the villanelle, and the sonnet, among many others. Along the way, he introduces us to poets we've heard of but never read. *The Ode Less Travelled* is not just the survey course you never took in college, it's a lively celebration of poetry that makes even the most reluctant reader want to pick up a pencil and give it a try.

British Identity in World War I Mary K. Laurents 2020-12-10 This book analyzes the development of the Lost Generation narrative following the First World War. The

author examines narratives that illustrate the fracture of upper-class identity, including well-known examples of the Lost Generation—Robert Graves, Siegfried Sassoon, and Vera Brittain—as well as other less typical cases—George Mallory and JRR Tolkien—to demonstrate the effects of the First World War on British society, culture, and politics.

Ripping England! Roger Rawlings 2017-12-04 Examines an all too often neglected period of postwar British cinema and popular culture. *Ripping England!* investigates a fertile moment for British satire—the period between 1947 and 1953, which produced the films *Passport to Pimlico*, *Kind Hearts and Coronets*, and *The Lavender Hill Mob*, as well as the seminal radio program *The Goon Show*. Against the postwar background of fading empire, universal rationing, and the implementation of a welfare state, these satires laid the foundation for a new British cultural identity later fleshed out by the Angry Young Men, the Movement poets, the Social

Realists, and those involved in the satire boom of the 1960s, which lives on even to this day. The peculiarity of these satires and the British identity they shaped is better understood when seen in relief against postwar cinematic cultures of Italy, France, and the United States. Roger Rawlings places postwar British film in the context of contemporaneous European national film movements and contrasts it with Hollywood's comedies and satires of the same period. British satires of the late forties and early fifties held up a mirror to a nation that was in the throes of change, moving from a colonial empire to an inward-turning island culture. *Ripping England!* looks at the all too often neglected miracle of postwar British cinema and popular culture. Roger Rawlings teaches film studies at Palm Beach State College and is Director of Programming at YipTV.com. He cowrote and directed the feature film *Neurotica* (2004), was executive producer and cowrote the story for *Losers Take All* (2013), and has produced award-winning films in Ireland and New York.
