Isabel Allende

2021-01-05 A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old

Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated

anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery. *Bento's Sketchbook* John Berger 2015-03-01 A meditation, in words and images, on the practice of drawing, by the author of *Ways of Seeing*. The seventeenth-century philosopher Baruch Spinoza—also known as Benedict or Bento de Spinoza—spent the most intense years of his short life writing. He also carried with him a sketchbook. After his sudden death,

his friends rescued letters, manuscripts, notes—but no drawings. For years, without knowing what its pages might hold, John Berger has imagined finding Bento's sketchbook, wanting to see the drawings alongside his surviving words. When one day a friend gave him a beautiful virgin sketchbook, Berger said, "This is Bento's!" and he began to draw, taking his inspiration from the philosopher's vision. In this illustrated color book John Berger uses the imaginative space he creates to explore the process of drawing, politics, storytelling and Spinoza's life and times.

*Albina and the Dog-Men*

Alejandro Jodorowsky

2016-05-10 From the

psychomagical guru who  
brought you *The Holy  
Mountain* and *Where the  
Bird Sings Best* comes a  
supernatural love-and-  
horror story in which a  
beautiful albino  
giantess unleashes the  
slavering animal lurking  
inside the men of a  
small village. When two  
women—an amnesiac  
goddess and her  
protector, a leather-  
tough woman called  
Crabby—arrive in a  
Chilean desert town,  
Albina's otherworldly  
allure and unfettered  
sensuality turn men into  
wild beasts. Chased by a  
clubfooted corrupt cop,  
evil corporate

Albina and Crabby must  
find a magical cactus

social parable,  
ultimately uniting in a  
universal story of love  
against the odds and  
what makes us human.  
Praise for Albina and  
the Dog-Men “Deeply  
psychological and  
mysterious, the book  
will stimulate the  
imagination of the  
reader's mind to the  
extreme.” –Marina  
Abramović “In his latest  
novel, Jodorowsky builds  
on his multi-decade long  
assault of the public  
imagination . . . a  
fantastical and genre-  
defying parable of love  
and friendship. . . .  
Throughout this dark  
dream of a novel,  
Jodorowsky's writing is  
comic and occasionally  
mesmerizing. It is also  
ripe with horror and  
philosophical questions  
about what it means to  
belong, everywhere and  
nowhere. And while some  
of the subject matter is  
disturbing, it often  
carries the air of  
something ancient that  
you read children by a  
fire. For years  
Jodorowsky has proven  
the intensity of his  
imagination, and how far

he is willing to go to  
present his singular  
vision to the world. He  
is a fully realized  
artist whose tales  
demand attention. At its  
core, Albina and the  
Dog-Men is a love story  
about two people  
committed to one  
another's survival and  
to discovering their  
potential. And, as with  
life, it is sometimes  
only through the  
weathering of a storm  
that our true capacities  
are made clear.” –Juan  
Vidal, NPR Books  
“[Albina and the Dog-  
Men] may be the ultimate  
piece of Jodorowsky  
arcana, a mind-bending  
adventure story on par  
with his wildest  
cinematic visions. . . .  
A surrealist novel par  
excellence, Albina and  
the Dog-Men is a dream,  
a prophecy, a  
hallucination, and a  
transfiguration such as  
only Jodorowsky could  
induce.” –Publishers

that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky's book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose thickens as Albina's situation becomes more tenuous, resulting in heady and appealing constructions. . . . As Albina and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel's final pages prove both glorious and moving. Jodorowsky's is a work of unforgettable weirdness, a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation."

"Spufford cunningly maps out a literary genre of his own . . . Freewheeling and fabulous." —The Times (London) Strange as it may seem, the gray, oppressive USSR was founded on a fairy tale. It was built on the twentieth-century magic called "the planned economy," which was going to gush forth an abundance of good things that the lands of capitalism could never match. And just for a little while, in the heady years of the late 1950s, the magic seemed to be working. Red Plenty is about that moment in history, and how it came, and how it went away; about the brief era when, under the rash leadership of Khrushchev, the Soviet Union looked forward to a future of rich communists and envious capitalists, when Moscow would out-glitter

**A Simple Man** Bobby Hall 2017-08-24 Justin Hayes is richly blessed. He grew up the son of a

preacher and a school teacher, and like most boys in the rural South, he grew up hunting and fishing. He earned his money in the tobacco and hay fields surrounding his home, and joined his senior class in the jungles of Vietnam. After returning home he married his high school sweetheart and raised a fine son. But being blessed doesn't mean that life is easy. He worked as a lineman for the power company and was always available to help his neighbors on their farms. His wife suddenly left him for a rich man when his son was ten years old, so he was left with a son to raise by himself. But now that was all behind him. Having inherited fortythree acres of land in the beautiful Appalachian Mountains, Justin retired and moved to his new property looking forward to spending his remaining years enjoying God's creation and relaxing in his new home.

Unbeknownst to Justin, he had just moved

the center of a hornet's nest—a nest filled with lies and corruption, an evil neighbor, and a crooked sheriff. A nest that was under surveillance and monitored twenty-four hours a day. A nest that has ties to terrorism and organized crime with the most wretched and evil people who have ever walked the earth. Not being someone to back down from a fight, Justin digs his heels in for the fight of his life, but he is not alone. Before this fight is over, the SBI, FBI, Homeland Security, CIA, and even the Pentagon line up behind him to defeat this monster. He will need all the skills he acquired in Vietnam, plus help and guidance from the Almighty to defeat this enemy.

*The Transparency of Time*  
Leonardo Padura

2022-06-14 From Leonardo Padura—whose crime novels featuring Detective Mario Conde form the basis of Netflix's *Four Seasons in Havana*—*The Transparency of Time* sees the Cuban investigator pursuing a mystery spanning centuries of occult history. Mario Conde is facing down his sixtieth birthday. What does he have to show for his decades on the planet? A failing body, a slower mind, and a decrepit country, in which both the ideals and failures of the Cuban Revolution are being swept away in favor of a new and newly cosmopolitan worship of money. Rescue comes in the form of a new case: an old Marxist turned flamboyant practitioner

of Santería appears on the scene to engage Conde to track down a stolen statue of the Virgen de Regla—a black Madonna. This sets Conde on a quest that spans twenty-first century Havana as well as the distant past, as he delves as far back as the Crusades in an attempt to uncover the true provenance of the statue. Through vignettes from the life of a Catalan peasant named Antoni Barral, who appears throughout history in different guises—as a shepherd during the Spanish Civil War, as vassal to a feudal lord—we trace the Madonna to present-day Cuba. With Barral serving as Conde's alter ego, unstuck in time, and Conde serving as the author's, we are treated to a panorama of history, and reminded of the impossibility of ever remaining on its sidelines, no matter how obscure we may think our places in the action. **Lady** Wendy Guerra

2021-09-14 "I Was Never The First Lady stitches together threads of island and identity until they became one and the same...Guerra's own unpredictable book is haunting, complicated, [and] linguistically beautiful." -- The New York Times A lush, sensuous, and original tale of family, love, and history, set against the backdrop of the Cuban Revolution and its aftermath. Nadia Guerra's mother, Albis Torres, left when Nadia was just ten years old. Growing up, the proponents of revolution promised a better future. Now that she's an adult, Nadia finds that life in Havana hasn't quite matched its promise; instead it has stifled her rebellious and artistic desires. Each night she DJs a radio show government

censors block from broadcasting.

Frustrated, Nadia finds hope and a way out when she wins a scholarship to study in Russia.

Leaving Cuba offers her the chance to find her long lost mother and her real father. But as she embarks on a journey east, Nadia soon begins to question everything she thought she knew and understood about her past. As Nadia discovers more about her family, her fate becomes entwined with that of Celia Sanchez, an icon of the Cuban

Revolution—a resistance fighter, ingenious spy, and the rumored lover of Fidel Castro. A tale of revolutionary ideals and promise, Celia's story interweaves with Nadia's search for meaning, and eventually reveals secrets Nadia could never have dreamed.

heartbreaking and capture the city.”  
—Orlando Sentinel To most outsiders, Havana is a tropical sin city. Habaneros know that this is neither new nor particularly true. In the real Havana—the lawless Havana that never appears in the postcards or tourist guides—the concept of sin has been banished by the urgency of need. And need—aching and hungry—inevitably turns the human heart darker, feral, and criminal. In this Havana, crime, though officially vanquished by revolutionary decree, is both wistfully quotidian and personally vicious. In the stories of Havana Noir, current and former residents of the city—some international sensations such as Leonardo Padura, others exciting new voices like Yohanna Depestre—uncover crimes of violence and loveless sex, of mental cruelty and greed, of self-preservation and collective hysteria. as he takes on his first case as a private eye. Set against the fraught political world of pre-Pinochet Chile, Castro's Cuba, and perilous behind-the-Wall East Berlin, this mystery spans countries, cultures, and political ideas, and features one of literature's most beloved figures—Pablo Neruda. Cayetano meets the poet at a party in Chile in the 1970s. The dying Neruda recruits Cayetano to help him solve the last great mystery of his life. As Cayetano fumbles around his first case, finding it hard to embrace the new inspector identity foisted upon him, he begins to learn more about Neruda's hidden agenda. Neruda sends him on a whirlwind expedition around the world, ending back in Chile, where Pinochet's coup plays out against the final revelations of their journey. Evocative, romantic, and full of intrigue, Ampuero's novel is both a glimpse into the life of Pablo Neruda as death

approaches and a political thriller that unfolds during the fiercely convulsive end of an era.

confidencias, Iván puede reconstruir las trayectorias vitales de Liev Davidovich Bronstein, también llamado Trotski, y de Ramón Mercader, también conocido como Jacques Mornard, y cómo se convierten en víctima y verdugo de uno de los crímenes más reveladores del siglo xx. Desde el destierro impuesto por Stalin a Trotski en 1929 y el penoso periplo del exiliado, y desde la infancia de Mercader en la Barcelona burguesa, sus amores y peripecias durante la Guerra Civil, o más adelante en Moscú y París, las vidas de ambos se entrelazan hasta confluír en México. Ambas historias completan su sentido cuando sobre ellas proyecta Iván sus avatares vitales e intelectuales en la Cuba contemporánea y su destructiva relación con el hombre que amaba a los perros.

Havana. Not his usual beat, but when Conde was asked to take the case by his colleague, the sultry, perfectly proportioned Lieutenant Patricia Chion, a frequent object of his nightly fantasies, he could n't resist. The case proves to be unusual. Pedro Cuang, a lonely old man, is found hanging naked from a beam in the ceiling of his dingy room. One of his fingers has been amputated and a drawing of two arrows was engraved with a knife on his chest. Was this a ritual Santería killing or a just a sordid settling of accounts in a world of drug trafficking that began to infiltrate Cuban society in the 1980s? Soon Conde discovers unexpected connections, secret businesses and a history of misfortune, uprooting and loneliness that affected many immigrant families from China. As ever with Padura, the story is soaked in atmosphere: the drinking of rum in deliciously smoke-filled

bars, the friendships, the food and beautiful women.

he dared to write a story that was deemed counterrevolutionary. When we meet him years later in Havana, Iván is a loser: a humbled and defeated man with a quiet, unremarkable life who earns his modest living as a proofreader at a veterinary magazine. One afternoon, he meets a mysterious foreigner in the company of two Russian wolfhounds. This is "the man who loved dogs," and as the pair grow closer, Iván begins to understand that his new friend is hiding a terrible secret. Moving seamlessly between Iván's life in Cuba, Ramón's early years in Spain and France, and Trotsky's long years of exile, *The Man Who Loved Dogs* is Padura's most ambitious and brilliantly executed novel yet. This is a story about political ideals tested and characters broken, a multilayered epic that effortlessly weaves together three different plot threads—Trotsky in exile, Ramón in pursuit,

Iván in frustrated stasis—to bring emotional truth to historical fact. A novel whose reach is matched only by its astonishing successes on the page, *The Man Who Loved Dogs* lays bare the human cost of abstract ideals and the insidious, corrosive effects of life under a repressive political regime.

Forms of Disappointment  
Lanie Millar 2019-09-01  
Analyzes parallel developments in post-Cold War literature and film from Cuba and Angola to trace a shared history of revolutionary enthusiasm, disappointment, and solidarity. In *Forms of Disappointment*, Lanie Millar traces the legacies of anti-imperial solidarity in Cuban and Angolan novels and films after 1989. Cuba's intervention in Angola's post-independence civil war from 1976 to 1991 was its longest and most engaged internationalist project and left a profound mark on the culture of both

After the fall of the Berlin Wall, Millar argues, Cuban and Angolan writers and filmmakers responded to this collective history and adapted to new postsocialist realities in analogous ways, developing what she characterizes as works of disappointment. Revamping and riffing on earlier texts and forms of revolutionary enthusiasm, works of disappointment lay bare the aesthetic and political fragmentation of the public sphere while continuing to register the promise of leftist political projects. Pushing past the binaries that tend to dominate histories of the Cold War and its aftermath, Millar gives priority to the perspectives of artists in the Global South, illuminating networks of anticolonial and racial solidarity and showing how their works not only reflect shared feelings of disappointment but also call for ethical gestures of empathy and reconciliation. "Forms

of Disappointment offers an insightful and unique comparative analysis of a body of works produced in the post-Cold War period. By focusing on the Global South, instead of the customary north-south relationship favored by Cuba experts, the book contributes significantly to the fields of Cuban, African, and Latin American Studies; and more broadly to 'affect theory' and postcolonial studies. It is remarkably well written with elegant and clear prose." — Marta Hernández Salván, author of *Mínima Cuba: Heretical Poetics and Power in Post-Soviet Cuba*

*The Nautical Chart*  
Arturo Pérez-Reverte  
2004-06-07 A fearless Spanish crew embarks on a search for a lost ship, swallowed by the Indian Ocean centuries ago, in a novel by "a master of the literary thriller" (Booklist, starred review). Manuel Coy is a suspended sailor with time on his hands, a mariner without a ship. While attending a maritime auction in Barcelona, he meets Tángér Soto, a captivating beauty who works for the Naval Museum in Madrid. A woman obsessed with the Dei Gloria, a famed Jesuit ship sunk by pirates in the seventeenth century, she now hopes to find it and

unearth its mysteries, rumored to be buried the bottom of the sea off the southern coast of Spain. Quickly drawn into the search, Coy accompanies Tángér Soto, and a wise old man of the sea whose sailboat will carry the crew into the middle of nowhere in search of a fortune. But more than treasure is rising to the surface—secrets are, too. And from these depths will also come danger, and an adventure no one is prepared for. From the acclaimed author of *The Queen of the South*, *The Nautical Chart* is "a swashbuckling tale of mystery" (The Washington Post Book World).

HAPPENED TO MEXICAN LITERATURE IN THE LAST THIRTY YEARS" (SUNDAY TELEGRAPH), COMES A THRILLING NOVEL THAT EXPLORES THE CORRUPT POLITICS AND DARK VIOLENCE OF THE CITY THAT MEXICO'S DRUG KINGPINS CALL HOME. It's Christmas in Culiacan and Detective Edgar "Lefty" Mendieta can't believe his luck: An old flame has returned with his teenage son he knew nothing about, and he couldn't be happier. But Jason Mendieta wants to follow in his father's footsteps--even as Mexico's drug war descends a slippery slope towards chaos. While Lefty pursues a

lunatic who has taken to bumping off dentists with a heavy-calibre pistol, a secret agent infiltrates a meeting of the drug lords and hears Pacific Cartel boss Samantha Valdes implore her underlings to stay out of the war. But an audacious murder provokes Samantha into changing her mind and launching a grisly wave of killings across the country. There will be no quiet family Christmas for our detective, as Samantha persuades Lefty to help her find the killer that pushed everything over the edge. The truth he discovers will underline an old adage: revenge is a dish best served cold.
