churches, in their communities. As the prayer movement continues to explode, leaders emerge to give guidance to the growing number of intercessors . . . and Alice Smith is at their forefront, leading the leaders who have lifted the banner of passionate, effective intercessory prayer for this generation and the next. In *Beyond the Veil*, Smith proclaims God's call for His people to pray and shares what she has learned on her own journey toward deeper intimacy with God through prayer. Whether readers are new to intercession or are veteran prayer warriors, they will discover sound, biblical methods for binding the enemy and loosing the Holy Spirit in their families, churches, and nations. Each chapter includes questions and prayer exercises, with a corresponding devotional to bring the principles of intercession to life, making *Beyond the Veil* the essential guidebook

2016-01-26 Renowned pastor and New York Times bestselling author of *The Prodigal Prophet*

Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight

cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with *Prayer*, he'll show them how to find a deeper connection with God. *Show Me Your Glory: Developing Intimacy with God* George K. Ata-Baah 2011-07-01 *Show Me Your Glory* is an inspirational book for believers seeking to develop and experience intimacy with God in every sphere of life - spirit, soul and body. We must seek God until we find Him. We must have the desire to experience the glory of God, to walk in the supernatural on this side of heaven. At this point let me ask you this question, "Do you have a desire to know God and to experience the supernatural?" If yes, then you are on the right track because man is born with a deep sense of spiritual desire to worship. That is why all over the world and in every culture since the dawn of history, people have

had a strong desire to worship something either known or unknown. Some people worship the moon, sun, trees, rivers, mountains, rocks, ancestors (the dead), and hand-carved images. This book will provoke you to pursue after God and also admonish you to take your focus from the worship of created things to the worship of the Creator of the universe, the Almighty God. May the Holy Spirit guide and direct you to worship the Only True God through the help of our Lord Jesus Christ.

**BodyPrayer** Doug Pagitt  
2013-08-07 It's possible for prayer to become so routine that it's almost meaningless. Head-oriented prayer can focus on getting the words just right, while leaving out the rest of who you are. BodyPrayer helps you become fully engaged in prayer as you connect with God using more than mere words. By practicing various postures of prayer—many of them identical to those modeled in Scripture—you will open your life more fully to God. Body prayer involves all of who you are as you enter into communion with God, either individually or with other believers. Join Christians throughout history who used their entire being

as a prayer—in expressions of joy, gratitude, and entreaty, as well as worship and devotion to God. This biblically based guide will help you practice a richer, more meaningful expression of prayer—one that involves your body as well as your soul. This is prayer that goes deeper than words. Engage your physical senses in a spiritual discipline... If your spirituality lacks passion, you can find new life in the ancient practice of body prayer. When you adopt postures that express the burdens of your heart, you bring all of who you are into God's presence. BodyPrayer invites twenty-eight ways to involve your entire being as you connect with God. Whether you pray in submission with forehead touching the ground, or in exaltation with arms outstretched and eyes raised to heaven, you will find new spiritual vitality in prayer that expresses all of who you are. Avoid the recitation of

empty words and move your prayer life into the realm of whole-life engagement. When you use your body to express what words often fail to say, you are drawn closer to God. Body, soul, and spirit.

**Made to be Loved** Stephen B. Bell 1999-01-11 While desired, the idea of spiritual intimacy is scary and even threatening to some couples. They've tried those other couples devotional books, but sharing Bible study and prayer time together just doesn't come naturally. And when these sharing times seem awkward and manipulated, many couples put the book back on the shelf and simply go on as they were before. If this sounds all too familiar, *Made to Be Loved* is the sip of cool water for your thirsty marriage. Steve and Valerie Bell encourage couples to go beyond treating the symptoms of a marriage that lacks spiritual intimacy and go straight to the root of the problem. The real

disease that threatens marriages is spiritual distance from God. According to the Bells, "when a husband and wife invite God into their marriage, their perspectives change. Hearts are softened, expectations become more realistic, sexual relations take on a soulful sweetness, even fights get better!" Take your marriage to the next level with the help of Steve and Valerie Bell. Develop a deeper love relationship with you God, and in doing so, create a whole new atmosphere in your marriage.

### **United to the Lord**

Stephen Curtis Schofield  
2017 Abstract: This paper analyzes whether the introduction of a contemplative prayer practice in an American Protestant church will help participants develop greater spiritual intimacy with God. Scripture bears witness that God desires to have an intimate, personal relationship with us through the indwelling Holy Spirit (John 14:15-27). Christ instituted the Church and apportioned spiritual gifts to each

of its members to build up the body in a loving relationship of unity in the faith under the headship of Christ (Ephesians 4:7-16). Recent polling data reveals that a majority of Americans believe that churches have lost the spiritual aspect of religion and many look elsewhere for spiritual intimacy with God. In response to the need within the Church for deeper spiritual intimacy with God, I introduced a comprehensive contemplative prayer practice into both worship and ministry programs of the Dahlonga United Methodist Church. The two primary methods I used to help introduce contemplative prayer into the Church were moments of silent prayer and a form of meditating on Scripture called lectio divina. This project analyzes the results by interviewing persons who have participated to see if these practices helped them develop intimacy

with God. This study revealed that these practices greatly helped persons to hear and encounter God, feel one with God and develop intimacy with God.

*Intimacy with God* John Caldwell 2009-06-01  
INTIMACY WITH GOD will help you develop balance in your Christian life. Dr. Caldwell directs us toward a greater emphasis on the spiritual development of the inner man, that we might in turn be involved in Spirit-motivated, Spirit-empowered ministry. If you have struggled with such disciplines as Bible study, prayer, fasting, journaling or personal worship, this is the book to help you make progress in those areas. Well-balanced, interestingly written, with provocative thought questions and practical assignments, and

augmented by an outstanding list of resources, this book will be immensely useful for not only pastors but for all people who are hungering for the deeper things of God.

Christian, you were born again to grow! The Lord wants you to grow! This book can help you establish that intimacy with God...that He desires. John Caldwell has four earned degrees, including his doctor of ministry, and has served as Senior Pastor of Kingsway Christian Church in Avon, Indiana for thirty-six years, leading that congregation from infancy to the thriving mega-church that it is today. He also has a busy national and international speaking ministry. He and his wife, Jan, are the parents of two grown children and grandparents of two.  
*Into His Presence*  
Timothy L. Anderson  
2019-07-30 A  
theologically grounded treatment of what it means to be close to God

Numerous Christian books aim to provide guidance on relationships with God, but few base their conclusions on a biblical theology of intimacy. In this volume, Tim Anderson develops a biblical and holistic portrait of nearness to God, exploring key themes like God's Trinitarian union, the fall, God's fatherhood, marriage imagery, suffering, and our relationship with the Holy Spirit. A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters. Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture.

**Let the Church Get Pregnant - Again!** Dr. Jeff T. Jacobs  
2022-01-15 A church without an authentic worship experience is merely a social club with a religious overtone. This book is purposed to expose, enlighten, and encourage a greater level of intense intimacy with God through praise and worship. It exposes how sexuality and spirituality are so extremely parallel to each other, giving insight on why sex is so vital in human expression but yet creates an ongoing struggle between spirit and flesh. Prayerfully, this book will inspire the entire religious community to revisit and

revive what is called the Azusa Street Movement, where people sought God to the point that an outpouring of God resulted in nonstop days and weeks of signs, wonders, and miracles. This is a clarion call to make God the primary and only focal point of the church, as He should be! Even though we value our Spiritual Leaders, i.e., Pastors, Prophets, Evangelists, Teachers and even Recording Artists, we may have become guilty of prioritizing personalities above God's presence! It's time for the church to get pregnant with the power of God once again. Pregnancy only occurs through intimacy. Read this book...find out where you are in proximity of the throne room.
