Koyopa: Contact Within Eileen Meyer
2017-03-18 The courageous story of how one American woman transcended normal. That is, she rediscovered the natural human state beneath the past trauma and conditioning of "life as we've always known it." Her transformational story is told through the inner, feminine view of a lifetime of Angel-ET visits, and numerous Kundalini-Koyopa episodes in the physical body. The nonhuman intelligence "spoke" in frequency, and informed her of humanity's evolutionary leap in consciousness at this definitive crossroads in time. She was shown that everyone is wired within to accept, integrate, and move forward with these shifts, but it is a choice. Through a unique practice of honesty and innocence, she was

guided to tune into and translate the resonance which began "filling in" the bulk of what had been conditioned out of most of humanity - the feeling-knowing wisdom of the feminine. The more she adapted to her own signature frequency, the more she felt and understood the universal tones of nonhuman intelligence. It made for a challenging life of attempting to appear normal, even when each visit would wipe out her entire worldview. Ultimately, a critical fork-in-the-road decision needed to be made: Be true to herself and honest with her community about what she was experiencing and remembering; or squish back into the insane, tight masks and clothing of conditioning that we were taught to believe was "life." There is so much more. In the change of cycles, the

Maya prophesied the Return of the Plumed Serpent. This story points to a 26,000 year old alignment - in both the cosmos and the human body. The Author states that words and concepts don't really matter in these high-vibratory states - because when they occur, you cannot think. It's more about adapting to high frequencies in the body, healing and releasing the past, practicing present-moment attention, and embracing wave after wave of body-mind-spirit upgrades. Through her lifetime of experiences and the resonant practices given through this field of Love, the author provides a roadmap for you to navigate this revolutionary contact within. Should you choose to grow up and out of the old matrix, this book has plenty of inspiration, pragmatic guidance, and encouragement.

100% You Formula Julie Renee
2016-02-01 "100% YOU" is now in print, kindle and audio. Caring for your health, reversing aging and living at 100% should be easier, right? Are you frustrated with the available options offered by traditional medicine? Have you ever wondered about a holistic approach but you have never been sure where to start? What if I told you that you could grow healthier, younger, and experience more focus and clarity than you have in years - with no side effects, pills, potions, injections or surgical procedures. Find out how you can have it all in this 15 minute interview where Hollywood actress Barbara Niven asks me the questions

on everyone's lips! "As you may know, I literally survived the 'Atomic Bomb testing' and radiation poisoning in the Nevada desert as a child. I have had 17 surgeries, multiple cancers, I even died twice, was confined to a wheel chair and told I would never walk without a cane. On my journey, I discovered we are wired to heal and return to great health to live possibly hundreds of years."

Truthfully I know in my heart of hearts my entire reason for surviving was to share the story and help others. How I went from death to 100%. Honestly, you'll likely never meet another person like me with this kind of outrageous story and the gumption to write it all down so you could enjoy and access the secrets of your own magnificent design! You may well have heard about Quantum energy,

but you probably have no clue about what it is or how to use it. I can give you the direct route to accessing your Quantum field so you can supercharge all aspects of your health and vitality! I am very proud of my companion books, 100% You and Your Divine Human Blueprint and how they both introduce and pay homage to the oldest holistic medicine design known to mankind. In 100% You I provide you with the pure and simple properties to the structure and design of your human blueprint and help you live a healthier more vibrant life. If you're like me and you want it all, you should read Your Divine Human Blueprint. It is the definitive resource guide to accessing quantum energy, altering DNA and regenerating stem cells, from better brain function to restoring

stem cells, in simple accessible language and easy to follow processes. Both books guide the body and being that puts you in charge of your health and happiness.

New Earth Light Body Maurene Watson 2017-09-11 Masters, light body is your Divine-Human spirit embodied in the substance of Love. Light Body will evolve its DNA codes and transcriptions exponentially throughout the many New Earths. The New Earth Heart is your: transporter star gate, a magnetic imprinter, Source Code/r, centrifuge, quark stem cell particle and bio-ship for New Earth spirit matter, inside embodied love? We offer a simple base line descriptive physics that is relevant for this perceptual moment to switch from the Old Earth matrix blueprints and mass programming to New Earth

quantum DNA blueprints. The light body in the Multi-light Universe is a blend of the physical and nonphysical into new conscious superconductive light systems. These bio-systems include new adaptive DNA Source code templates made of organic essence consciousness. Your new species DNA Soul Heart Core Light, allows parallel potential realities at once in your light universe. It is a blend of Divine and human. It is a blend between seen and unseen worlds. It is a blend between the atom and newly born quantum light particle. It is a blend of a: crystal soul cell, a diamond spirit cell, a multi-plasma orb, and liquid light particle cell. It is a new heart stem cell that can regenerate, re-imprint, or repair your entire bio- organism right out of your own consciousness. It is a

blend of Old Earth atomic and New Earths quark blueprints. It is a blend of Linear and multiple applications of time and space. Your creations exist on all dimensions or in all realities at once. It is the prototype of a unique en-souled sovereign organic Essence human-angel-god or love master fully embodied as atomic-quantum matter. Science has called it dark matter, that which makes new light universes!

Healing With Light Language Green Leatherr 2021-07-25 Have you ever really listened to the way you talk to people? Have you truly listened to the way you speak? What is it like? Whenever I hear my voice, I feel strange. Is that really me? Recorded voices are even weirder, like disembodied little pieces of me. My voice sounds like it is coming from

afar. But language has never really been limited by voice. It is a medium of communication that connects you to someone else. Speech can be constrained by culture, but it can also be free to transform into something else. We have sign language, Braille, and other forms that transcend different types of ability. However, nothing is like the light language. Light language is a means of communication that is more spiritual than intellectual. It connects you to a Higher Being or the Universe instead of merely connecting you to another human. This book will help you: Define and understand light language Use light language to heal various types of conditions Ascend in wisdom and the spirit Pass on your knowledge to others who need it

Core Light Healing Barbara Ann Brennan 2017-07-18 Barbara Ann Brennan, founder of the Barbara Brennan School of Healing and best-selling author of Hands of Light and Light Emerging, is one of the most influential healers and spiritual leaders of the 21st century. Now, in her latest book, Core Light Healing, her work continues with revolutionary new information on working with the creative process and the fourth level. The fourth-level, or astral, world bridges the creative pulse from

the physical to the higher levels of reality and manifestation. Core Light Healing also chronicles Barbara Brennan's life journey and personal experiences. In Core Light Healing you will discover:

- The nature of the creative process from the Human Energy Consciousness perspective
- How each of us creates blocks in our energy fields; how blocks look, interact, and ultimately cause dysfunction in our lives; and the process involved in the clearing of blocks and releasing our creative potential
- How to develop and work with High Sense Perception and its role in facilitating the clearing of blocks in our energy fields
- The nature of fourth-level reality and its vital role in the creative process
- The fourth level as it relates to healing relationships and

the cord connections that underlie those relationships • And much more Complete with full-color and black-and-white illustrations, Core Light Healing offers to take you on a journey to create the life you have always imagined.

Gods and Humans in the Ancient Near East Tyson L. Putthoff 2020-09-30 In this book, Tyson Putthoff explores the relationship between gods and humans, and between divine nature and human nature, in the Ancient Near East. In this world, gods lived among humans. The two groups shared the world with one another, each playing a special role in maintaining order in the cosmos. Humans also shared aspects of a godlike nature. Even in their natural condition, humans enjoyed a taste of the divine state. Indeed, gods not only lived among

humans, but also they lived inside them, taking up residence in the physical body. As such, human nature was actually a composite of humanity and divinity. Putthoff offers new insights into the ancients' understanding of humanity's relationship with the gods, providing a comparative study of this phenomenon from the third millennium BCE to the first century CE. The Wanderings of a Spiritualist Arthur Conan Doyle 1921 This is an account of the wanderings of a spiritualist, geographical and speculative. Should the reader have no interest in psychic things-if indeed any human being can be so foolish as not to be interested in his own nature and fate, -then this is the place to put the book down. It were better also to end the matter

now if you have no patience with a go-as-you-please style of narrative, which founds itself upon the conviction that thought may be as interesting as action, and which is bound by its very nature to be intensely personal. I write a record of what absorbs my mind which may be very different from that which appeals to yours. But if you are content to come with me upon these terms then let us start with my apologies in advance for the pages which may bore you, and with my hopes that some may compensate you by pleasure or by profit. I write these lines with a pad upon my knee, heaving upon the long roll of the Indian Ocean, running large and grey under a grey streaked sky, with the rain-swept hills of Ceylon, just one shade greyer, lining the Eastern

skyline. So under many difficulties it will be carried on, which may explain if it does not excuse any slurring of a style, which is at its best but plain English. There was one memorable night when I walked forth with my head throbbing and my whole frame quivering from the villa of Mr. Southey at Merthyr. Behind me the brazen glare of Dowlais iron-works lit up the sky, and in front twinkled the many lights of the Welsh town. For two hours my wife and I had sat within listening to the whispering voices of the dead, voices which are so full of earnest life, and of desperate endeavours to pierce the barrier of our dull senses. They had quivered and wavered around us, giving us pet names, sweet sacred things, the intimate talk of the olden time. Graceful lights, signs of

spirit power had hovered over us in the darkness. It was a different and a wonderful world

"Science projects and experiments about the human body"--Provided by publisher.

Human Rights and the Body Dr Annabelle Mooney 2014-09-28 Human Rights and the Body is a response to the crisis in human rights, to the very real concern that without a secure foundation for the concept of human rights, their very existence is threatened. While there has been consideration of the discourses of human rights and the way in which the body is written upon, research in linguistics has not yet been fully brought to bear on either human rights or the body. Drawing on legal

concepts and aspects of the law of human rights, Mooney aims to provide a universally defensible set of human rights and a foundation, or rather a frame, for them. She argues that the proper frames for human rights are firstly the human body, seen as an index reliant on the natural world, secondly the globe and finally, language. These three frames generate rights to food, water, sleep and shelter, environmental protection and a right against dehumanization. This book is essential reading for researchers and graduate students in the fields of human rights and semiotics of law.

Readers' Guide to Periodical Literature 1910

The Human Body of Light Mitchell Earl Gibson MD 2014-03-22 According to legend, a number of ancient spiritual masters have dissolved their physical bodies into pure energy. Most used special exercises and techniques that had to be applied over a period of years, the results of which were the total transformation of the physical form into a form of self sustaining light energy. The new light form was immortal and indestructible. Somehow, these legends have not made it into our Western lexicon. The Body of Light represents a complete and total and radical transformation of one's status of being, a rediscovery of what was primordially present, and this condition is permanent. It is Awareness itself and is dependent on

nothing else. This may be compared to the various Christian notions of transfiguration, resurrection, and ascension. There exists in history many examples of the successful completion of this process. Even in recent years there have been a number of Tibetan Lamas, both Buddhist and Bon-po, who attained realization of the Rainbow Body ('ja-lus-pa) at the end of their lives and some of these occurrences were witnessed by Chinese Communist officials. In this book *The Human Body of Light*, board-certified psychiatrist and author Dr. Mitchell Earl Gibson explores this fascinating arena of human potential. This book is designed to explore one question; is it possible for the human body to evolve into pure energy? Through meticulous research and one-of-a-kind insightful observations, *The Human*

Body of Light explores the real phenomenon of an extraordinary type of human evolution. The realizations that accompany this knowledge has the potential to change our understanding of what it means to be human.

Our Light Body Mary Rabyor 2012-04

Human beings are now evolving into a new species, popularized as the light body that starts to grow when our vibration is high enough to activate DNA that exists in our genes. The growing force increases the vibration of all objects over time. When the old body design no longer thrives in the increased vibratory field a species wide metamorphosis triggers. That is where we are today. In early 2006, Mary unexpectedly experienced a kundalini awakening after years of doing meditation. After this, she devoted three years full-time to the

kundalini transformation and took daily notes. The core of Our Light Body is Mary's journal for the first year of kundalini transformation with notes, poetry, insights, visions and dreams. The book has chapters with the author's insights about the personality, the higher-self, steps of spiritual awakening, dark nights of the soul, DNA activation, kundalini, human metamorphosis and evolution.

Touch Everybody with the Light of Your Heart Ivanna Spencer 2012-06-08
Ivanna Spencers book is an extraordinary account of the authors spiritual journey and the teaching she received from high-multidimensional beings during meditation and channelling. The book

explains how we can all connect with the divine Source, its Angels, the teachers and the knowledge of the universe which is embedded in us. According to Ivanna, our existence is not limited to a third-density reality but we are spiritually connected to the whole creation and the cosmic consciousness. When we allow love and light to enter our life and make them our driving force, a world of great opportunity will open up to us. The book will teach you to collect your tools and recognize your special talents which can set you free from fragmentation and limitation.

The Sacred Fire of the Phoenix Robin Sacredfire 2014-09-16 There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing

is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a

book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our

conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the

Laboratory of God.

The Light Within a Human Heart Lars Muhl 2022-06-14 This practical guide from Denmark's leading spiritual teacher will show you how to access your inner light and power, as well as reveal a roadmap for you to attain your own Divine Identity. The Light within a Human Heart follows Lars Muhl on an inner and outer journey to the cave where the Dead Sea Scrolls were discovered, using a metaphorical text – the Book of Asaph – as a symbol for his search for spiritual enlightenment. This book offers a practical guide to invoking your magnificent inner light – the secret ingredient of Creation. It provides a mirror for all who read it, enabling you to unfold the magnitude of your entire being and be the divine co-creator you were meant to be. In this

book, you will find answers that no scientist can provide. What can't be seen and heard by your ears and eyes can be accessed by your inner senses. Inside us all is an inner world containing multidimensional realities and endless magic, waiting for you to open the door. The Light Within a Human Heart is for those who wish to attain their highest possible potential. Turn its message into daily practice to enter heaven on earth and remain beautifully present, whatever difficulties you face in your life. When you move, breathe and live in your inner light, you have returned home.

The Third Path Bud Carroll 2013-08-01
"When I finished reading this book, all I could say was WOW! What a stunning piece of literary work... It is concise, brilliantly written, backed by scientific findings, with clear human logic and intelligence. If this doesn't awaken the masses to delve into who and what they truly are, I can't imagine what will." ~ Jerry Issa, teacher of metaphysics, Trenton, Michigan This book will change your life if you let it. If we

are accidental beings on a remote planet in a vast universe, existing for merely a blip in cosmic time, what's the point of living at all? Until we learn life is too significant to be a short-lived brilliance that rises out of nothing and ends in nothing, we will continue to live out our lives in, what Thoreau saw as, quiet desperation. We sense the materialistic wall when we ask the question, "Is that all there is?" Without resorting to miracles or magic, this book provides compelling evidence of life beyond the physical world by logically investigating the limitations of matter in the universe, by examining the gaps in scientific theories and by analyzing what the mystics already know about a spiritual existence. It takes a dedicated seeker with no preconceived

ideas and no intent on arriving to see beyond the materialistic wall. This book is intended to expand your awareness of life here and hereafter, hopefully providing the spark that will start you on your own personal pilgrimage. The mystics tell us we will be guided to the next step along our spiritual path when we are ready. Are you ready? AWARENESS: The following might be the thoughts of those at different levels of awareness as they walk through a rose garden. I want - I wonder how much I could get for these roses. I believe - God created roses when He created the world and everything in it. I doubt - Roses evolved from wild flowering shrubs, but most garden varieties are hybrids. I seek - How could anything as beautiful as a rose happen purely by chance? I know -

Roses, like all life on Earth, are physical manifestations of spirit. **The Duality of Being** Susan Nicholas, MD 2018-10-24 The Duality of Being details my life and the convoluted journey I made into higher realms of consciousness through my out-of-body travels. In this book, I will share with you the perspectives I've gained that have improved my quality of life, decisions, and relationships. Each of us has the innate ability to separate our life energy from our physical body and travel into faraway dimensions. Many who have experienced multidimensional travel have had a near-death experience that led to this life-changing phenomenon. Others, like myself, have for many years traveled spontaneously into distant realms and this book details the many discoveries. Though this

type of energetic travel cannot be measured or assessed with current scientific tools, it is as real an experience as traveling by airplane to visit coveted locations around the world. If my experience is any indication, multidimensional travel is available to us all and offers us a gateway into higher or expanded levels of consciousness. True consciousness comes from the expanded awareness that you are infinitely more than your physical body and that reality is a concept far beyond our physical world.

The Healing Power from God Dan Swan
2014-06-24 In this stimulating how-to book, a scientist Dr. Dan Swan (D.Engr.) provides an answer to one of life's most important questions, "How in the world does one find miracles?" When a miracle occurred in

his life in 1994 at a time when he desperately needed it. This miracle caused a series of revelations that ultimately led him down a spiritual path, completely changing his busy life, his scientific mindset and the way he viewed this chaotic world. Taking the reader on a fascinating tour of his real-life experience, Dr. Swan explains how he began his spiritual journey by learning hands-on energy healing in order to help save his father who had suffered a major stroke. Through his real-life experience as an energy healer, using the healing power from God, he found that miracles happened to patients who were ordinary people like you and him. He witnessed that miracles do happen many times to people who are in desperate need. From his experience, he shows in this book

that anyone can become an energy healer and be able to heal loved ones and family members. People of all religious faiths as well as non-believers can transform their physical bodies to Light bodies using the healing power from God. In fact, all major religions including Christianity, Hinduism, and Buddhism, encourage people to make the higher transformation to a union with God or Universal Consciousness. And, he shows the reader step-by-step of how to do it. Using Dr. Swan's method, the spiritual journey can be completed in a short period of time. He successfully merges new scientific findings with ancient wisdom, resulting in an easy-to-understand guide for someone at any spiritual level. Readers will learn from leading quantum physicists and

medical doctors, as well as spiritual teachers from around the world. Dr. Swan's instructions set the stage for a spiritual voyage of self-discovery. His book is a timely guide for the year 2012 and beyond, preparing all of us for the age of the New Earth in the near future.

Light Pollution as a New Risk Factor for Human Breast and Prostate Cancers

Abraham Haim 2013-06-03 Humans are diurnal organisms whose biological clock and temporal organization depend on natural light/dark cycles.

Changes in the photoperiod are a signal for seasonal acclimatization of physiological and immune systems as well as behavioral patterns. The invention of electrical light bulbs created more opportunities for work and leisure. However, exposure to artificial light at night (LAN) affects our biological clock, and suppresses pineal melatonin (MLT) production. Among its other properties, MLT is an antioncogenic agent, and therefore its suppression increases the risks of developing breast and prostate cancers (BC&PC). To the best of our knowledge, this book is the first to address the linkage between light pollution and BC&PC in humans. It explains several state-of-the-art theories, linking light pollution with BC&PC. It also illustrates research hypotheses about

health effects of light pollution using the results of animal models and population-based studies.

Opening A Window To The Soul Daeryl Holzer 2008-06-24 A profound and in-depth dialog of Spirit-guided insights describing the nature of the soul essence and presenting imaginative, practical tools to transform human dramas. Addressing commonly asked questions, *Opening a Window to the Soul* presents a unique way to understand how the world operates, heal painful emotions, get along with difficult people, and clear unhealthy patterns. With potent examples from the author's personal journey as well as client sessions, the messages are compassionate, enlightening and universally applicable. Topics include: the nature of the soul essence; what's between

lives; soul memories, emotions, ego, and creative thought as aspects of the Earth Suit; how past life experiences impact present time; the soul family as relating to childhood and karmic agreements; love relationships and soul mates; working with the Spirit team (soul family guides) and soul purpose.

Hands of Light Barbara Ann Brennan 2011-03-23 With the clarity of a physicist and the compassion of a gifted healer with fifteen years of professional experience observing 5,000 clients and students, Barbara Ann Brennan presents the first in-depth study of the human energy field for people who seek happiness, health and their full potential. Our physical bodies exist within a larger "body," a human energy field or aura, which is the vehicle through which we

create our experience of reality, including health and illness. It is through this energy field that we have the power to heal ourselves. This energy body -- only recently verified by scientists, but long known to healers and mystics -- is the starting point of all illness. Here, our most powerful and profound human interactions take place, the precursor and healer of all physiological and emotional disturbances. Hands of Light is your guide to a new wholeness. It offers:

- A new paradigm for the human, in health, relationship, and disease
- An understanding of how the human energy field looks, functions, is disturbed, healed, and interacts with friends and lovers.
- Training in the ability to see and interpret auras
- Medically verified case studies of

healing people from all walks of life with a variety of illnesses. • Guidelines for healing the self and others. • The author's personal and intriguing life adventure which gives us a model for growth, courage and possibilities for expanded consciousness

Living Energy Robert Campagnola
2014-03-19 The life force, also known as “spirit,” is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the

thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

Phantoms in the Brain V. S.

Ramachandran 1999-08-18

Neuroscientist V.S. Ramachandran is internationally renowned for uncovering answers to the deep and quirky questions of human nature that few scientists have dared to address. His bold insights about the brain are matched only by the stunning simplicity of his experiments -- using such low-tech tools as cotton swabs, glasses of water and dime-store mirrors. In *Phantoms in the Brain*, Dr. Ramachandran recounts how his work with patients who have bizarre neurological disorders has shed new light on the deep architecture of the brain, and what

these findings tell us about who we are, how we construct our body image, why we laugh or become depressed, why we may believe in God, how we make decisions, deceive ourselves and dream, perhaps even why we're so clever at philosophy, music and art. Some of his most notable cases: A woman paralyzed on the left side of her body who believes she is lifting a tray of drinks with both hands offers a unique opportunity to test Freud's theory of denial. A man who insists he is talking with God

challenges us to ask: Could we be "wired" for religious experience? A woman who hallucinates cartoon characters illustrates how, in a sense, we are all hallucinating, all the time. Dr. Ramachandran's inspired medical detective work pushes the boundaries of medicine's last great frontier -- the human mind -- yielding new and provocative insights into the "big questions" about consciousness and the self.
