Capa in Color Cynthia Young 2014-01 "Although he is recognized almost exclusively as a master of black-and-white photography, Capa began working regularly with color film in 1941 and used it until his death in 1954. Some of this work was published in the great picture magazines of the day, but the majority of these images have never been printed or seen in any form. While he did use color for some early World War II stories, Capa's use of color film exploded in his postwar stories. These photographs brought the lives of ordinary and exotic people from around the world to American and European readers alike, and were markedly different from the war reportage that had dominated Capa's early career. In the late 1940s, Capa traveled to the USSR, Budapest, and Israel to cover postwar life. Capa's technical ability coupled with his engagement with human emotion in his prewar black-and-white stories enabled him to move easily between black and white and color film. Capa's photographs also provided readers a glimpse into more glamorous lifestyles that depended on the allure and seduction of color photography. In 1950, he covered fashionable ski resorts in the Swiss, Austrian, and French Alps, and the stylish French resorts of Biarritz and Deauville for the burgeoning travel market capitalized on by Holiday magazine. He even tried fashion photography by the banks of the Seine

and on the Place Vendome. Through his friendships with many actors, Capa photographed Ingrid Bergman, Humphrey Bogart, Orson Welles, and John Huston, among others, in intimate moments on European film sets. Capa in Color will explore how he started to see anew with color film and how his work adapted to a new postwar sensibility. The new medium required him to readjust to color compositions, but also to a postwar audience, interested in being entertained and transported to new places"--Provided by publisher.

Female Masculinity Judith Halberstam 1998 Masculinity without men. In Female Masculinity Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the

stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

Fare Forward David Markson 2014-04-15 In this first-ever book of letters by novelist David Markson—a quintessential "writer's writer" whose work David Foster Wallace once lauded as "pretty much the high point of experimental fiction in this country"—readers will experience Markson at his wittiest and warmest. Poet Laura Sims shares her correspondence

with him, which began with an impassioned fan letter in 2003 and ended with his death in 2010, finally allowing a glimpse into the personal world of this solitary man who found his life's solace in literature. The letters trace the growth of a genuine and moving friendship between two writers at very different stages; in them we see Markson grapple, humorously, with the indignities of old age and poor health, and reminisce about his early days as a key literary figure in the Greenwich Village scene of the 1950s and 60s. At the same time, he sincerely celebrates Sims's marriage and the first milestones of her career as a poet. The book is full of engaging commentary on life, love, and the writing life. Markson reveals himself to be casually erudite, caustically funny, lovably cantankerous, and always entertaining. This volume marks a significant contribution to our understanding and appreciation of Markson's indubitably important and affecting body of work and will be a delight for his longtime fans as well as those just now discovering him.

Tom Waits by Matt Mahurin Matt Mahurin 2019-10-29 A collection of wildly inventive portraits of musician Tom Waits, the result of a 30-year collaboration with photographer and illustrator Matt Mahurin This visually arresting book is a testament to the unique collaboration, going back three decades, between the photographer and illustrator Matt Mahurin and the musician Tom Waits. Having shot magazine portraits, album covers, and music videos of Waits, Mahurin was inspired to resurrect 100 dormant film negatives as a jumping off point to explore his own surreal, poetic, and occasionally dark vision. The images vary from traditional portraits to ones that capture Waits in concert—but the majority are richly imagined scenes in which Waits is more muse than musician. In addition to the diverse images, the book includes a foreword

by Waits, an essay by Mahurin on their longtime collaboration, and 20 original paintings, drawings, photographs, and digital images inspired by Waits's song titles.

Women Make Horror Alison Peirse 2020-09-17 "But women were never out there making horror films, that's why they are not written about - you can't include what doesn't exist." "There are really, very few women horror filmmakers working today, that's why so few are coming up." "Women are just not that interested in making horror films." "How can you be a woman and be a fan of horror?" This is what you get when you are a woman working in horror, whether as a writer, academic, festival programmer or filmmaker. These assumptions are based on decades of flawed scholarly, critical and industrial thinking about the genre. *Women Make Horror* sets right these misconceptions. Women have always been making horror, they have always been an audience for the genre, and today, as this book reveals, women academics, critics and filmmakers alike remain committed to a film genre that offers almost unlimited opportunities for exploring and deconstructing social and cultural constructions of gender, femininity, sexuality and the body. *Women Make Horror* is the first book-length study of women filmmakers in horror film, the first all-women edited book on horror film, and the first book to call out the male-bias in written histories of horror and then to illuminate precisely how, and where, these histories are lacking. It re-evaluates existing literature on the history of horror film, on women practitioners in the film industry and approaches to undertaking film industries research. It establishes new approaches for studying women practitioners and illuminates their unexamined contribution to the formation and evolution of the horror genre. The book focuses on women directors and screenwriters but also acknowledges the importance of women producers, editors and cinematographers. It explores narrative and experimental cinema, short, anthology and feature-filmmaking, and offers case studies of North American, Latin American, European, East Asian and Australian filmmakers, films and festivals. *Women Make Horror* is designed to not only engage and inspire dialogue between the academy, filmmakers, industry gatekeepers, festival programmers and

horror film fans. With this book we can transform how we think about women filmmakers and genre.

Once Upon a River: A Novel Bonnie Jo Campbell 2011-07-05 "A demonstration of outstanding skills on the river of American literature." —Entertainment Weekly "Bonnie Jo Campbell has built her new novel like a modern-day craftsman from the old timbers of our national myths about loners living off the land, rugged tales as perilous as they are alluring. Without sacrificing any of its originality, this story comes bearing the saw marks of classic American literature, the rough-hewn sister of *The Leatherstocking Tales*, *The Adventures of Huckleberry Finn*, and *Walden*."—Ron Charles, *Washington Post*

The Lost Origins of the Essay John D'Agata 2009-08-04 An expansive and exhilarating world tour of innovative nonfiction writing I think the reason we've never pinpointed the real beginning to this genre is because we've never agreed on what the genre even is. Do we read nonfiction in order to receive information, or do we read it to experience art? It's not very clear sometimes. This, then, is a book that tries to offer a clear objective: I am here in search of art. I am here to track the origins of an alternative to commerce. John D'Agata leaves no tablet unturned in his exploration of the roots of the essay. *The Lost Origins of the Essay* takes the reader from ancient Mesopotamia to classical Greece and Rome, from fifth-century Japan to nineteenth-century France, to modern Brazil, Germany, Barbados, and beyond. With brief and brilliant introductions to seminal works by Heraclitus, Sei Sho-nagon, Michel de Montaigne, Jonathan Swift, Virginia Woolf, Marguerite Duras, Octavio Paz, and more than forty other luminaries, D'Agata reexamines the international forebears of today's American nonfiction. This idiosyncratic collection makes a perfect historical companion to D'Agata's *The Next American Essay*, a touchstone among students and practitioners of the lyric essay.

Madonna Confessions Guy Oseary 2008-10-07 In conjunction with this summer's most talked about concert, Madonna's highly anticipated "Sticky and Sweet" Tour, powerHouse Books will release *Madonna Confessions*, the official book of quintessential images taken by über-manager Guy Oseary during the course of over 50 performances around

the world during the Material Girl's sold out 2006 Confessions Tour. With over 250 never-before-seen images, the book showcases various provocative themes from that show including an iconographic equestrian opening to an urban Bedouin segment and on to glam punk and disco fever. The photographs celebrate what the New York Times called "the sheer spectacularity of her physical form" along with show stopping highlights and groundbreaking staging. Oseary, who is also Madonna's manager and has worked with her for the past twenty years, traveled with the artist and was given unprecedented access to each performance. As a result, the photographs in Madonna Confessions capture the essence, sheer energy, and excitement that came alive onstage every night. The photographs were each lovingly handpicked by Oseary and Madonna and are interspersed with quotes from Madonna. Long considered one of the most exciting live performers of our era, Madonna Confessions is a visual delight that highlights the multi-Grammy winner and Rock and Roll Hall of Fame inductee's astounding career. "powerHouse is delighted to collaborate with one of the world's greatest live performers; Guy Oseary's exclusive access to each night's Confessions show allowed him the opportunity to capture unparalleled iconic moments in live performance photography. The intimacy and the sweep of the work put you front row center of an incredible experience." -Daniel Power, CEO of powerHouse Books.

Compiling hundreds of unseen images plus exclusive interviews and essays, it revises and expands the common perception of psychedelic art, revealing it to be more innovative, compelling and revolutionary than is usually acknowledged. The book documents the great virtuosos of psychedelic art - men and women whose work combines avant-garde design with highly sophisticated image-making. Launching a million Day-glo dreams, the artists include - Marijke Koger, the Dutch artist responsible for dressing the Beatles; Mati Klarwein, who painted the cover for Miles Davis' 'Bitches Brew'; Keiichi Tanaami, the Japanese master of psychedelic posters; Heinz Edelmann, the German illustrator and designer of the Beatles' animated film 'Yellow Submarine'; Tadanori Yokoo, whose prints, books and fabrics defined the 1960s in Japan; Dudley Edwards, a painter, car decorator and graphic artist on the

London rock scene; and the enigmatic Australian Martin Sharp, whose work for Cream and underground magazines made him a hippie household name in Europe. 'Electrical Banana' features a lengthy historical essay and interviews with all of the artists.

Morals of Vision 2019-02 When William Eggleston's second artist's book *Morals of Visions* was first published in 1978 in a limited edition of fifteen, only a handful of lucky people were able to obtain it; it has since become a collectible rarity. That is now to change with this new Steidl edition, which re-imagines *Morals of Visions* as a trade book for the general public. The original *Morals of Vision* contains eight color coupler prints of Eggleston's archetypal still lifes, landscapes and portraits which glorify the banal and have since changed the history of color photography. "There is no particular reason to search for meaning," Eggleston has said of his work in general, a sentiment in contrast with the title *Morals of Vision* which suggests that there are indeed principles of a kind to be learnt from the images in this book. Yet the lessons in photos including those of a broom leaning against a wall, green grain silos in the fading light, and an off-center electric candle complete with fake wax, remain Eggleston's own ironic secret. 'I don't have a burning desire to go out and document anything. It just happens when it happens. It's not a conscious effort, nor is it a struggle.' -William Eggleston

Dewey Nicks: Polaroids of Women Dewey Nicks 2018-11-20 "Dewey Nicks' ebullient fashion photography reminds you that people have forgotten how to have fun in fashion." -The New York Times American photographer Dewey Nicks roared into the 1990s magazine world by filling his shoots with fascinating people and a vibe of boundless energy and nonstop fun. Publications such as *Vogue*, *Harper's Bazaar*, *W* and *Vanity Fair* kept Nicks moving seamlessly between celebrity, fashion and advertising assignments, his portfolio amassing a who's who of iconic women, including Cindy Crawford, Natalie Portman, Sofia Coppola,

Patricia Arquette, Shalom Harlow and Cher, to name only a few. Nicks recently found a forgotten box buried deep in his archive with thousands of Polaroids from his 1990s photo sessions. These one-of-a-kind favorites saved from hundreds of shoots, both private and assigned, offer an intimate portrait into Nicks' life, friends and work. The immediacy of Polaroids combined with the natural fading of the physical print after decades in a shoebox makes each of these images singularly unique and tangibly genuine. Nicks was so smitten with this time capsule of images that he immediately shared them with his frequent collaborator, book designer and publisher Tom Adler, and this beautifully produced book was born.

American Buffalo David Mamet 2014-07-22 *American Buffalo*, which won both the Drama Critics Circle Award for the best American play and the Obie Award, is considered a classic of the American theater. Newsweek acclaimed Mamet as the "hot young American playwright . . . someone to watch." The New York Times exclaimed in admiration: "The man can write!" Other critics called the play "a sizzler," "super," and "dynamite." Now from Gregory Mosher, the producer of the original stage

production, comes a stunning screen adaptation, directed by Michael Corrente and starring Dustin Hoffman, Dennis Franz, and Sean Nelson. A classic tragedy, *American Buffalo* is the story of three men struggling in the pursuit of their distorted vision of the American Dream. By turns touching and cynical, poignant and violent, *American Buffalo* is a piercing story of how people can be corrupted into betraying their ideals and those they love.

Johnny Cash at Folsom and San Quentin Jimmie A. Marshall 2018 A powerful portrait of a legendary musician by a legendary photographer. Carefully curated with full access to the Jim Marshall Archive, this handsome oversized volume offers the definitive view of Johnny Cash's legendary prison concerts at Folsom in 1968 and San Quentin in 1969. Cash had been interested in recording a live album at a prison since his 1955 hit, 'Folsom Prison Blues.' The idea was put on hold for a few years until 1968, when Cash visited one of California's oldest maximum-security prisons to record his *At Folsom Prison* album.

Diana Vreeland Memos Alexander Vreeland 2013-10-15 A look behind the scenes at Diana Vreeland's *Vogue*, showing the legendary editor in chief in her own inimitable words. When Diana Vreeland became editor in chief of *Vogue* in 1963, she initiated a transformation, shaping the magazine into the dominant U.S. fashion publication. Vreeland's *Vogue* was as entertaining and innovative as it was serious about fashion, art, travel, beauty, and culture. Vreeland rarely held meetings and communicated with her staff and photographers through memos dictated from her office or Park Avenue apartment. This extraordinary compilation of more than 250 pieces of Vreeland's personal correspondence—most published here for the first time—includes letters to Cecil Beaton, Horst P. Horst, Norman Parkinson, Veruschka, and Cristobal Balenciaga and memos that show the direction of some of *Vogue*'s most legendary stories. These display Vreeland's irreverence

and her characteristically over-the-top pronouncements and reveal her sharpness about the Vogue woman and what the magazine should be. Photographs from the magazine illustrate the memos, showing her imagination, prescience, and exactitude. Each chapter is introduced by commentary from Vogue editors who worked with her, giving readers a truly inside look at how Diana Vreeland directed the course of the magazine and fashion world.

Madonna NYC 83 Richard Corman 2014-02-01 "Madonna NYC 83" celebrates a moment in early 1980s New York that has been much reappraised in recent years for its fecund interactions between the worlds of fashion, art and music. This economically fragile period gave rise to a vital restlessness in the city, spawning adventurous personal styles and music that merged rap, funk, punk and pop. Madonna represented this sensibility like no-one else. As this book makes amply clear, from the start she was determined to define a look for herself, and to carve out a space in the public imagination. Richard Corman met Madonna by chance in 1983 and created a collection of images that constitute a multifaceted portrait of the young singer. This publication is a limited edition of 50 copies, and includes an original signed and numbered print of the image "Cinderella," that comes in a separate envelope within the slipcase.

Marilyn and Me Lawrence Schiller 2012 "Marilyn & Me" is an intimate tale of a legend before her fall and a young photographer on his way to the top. The limited edition monograph is signed by the photographer and numbered. It includes headline-grabbing nudes of the actress to the almost surreal pictures from the day of her funeral, the tragedy of her death hanging heavy in every frame.

Bruce Conner, and Christopher MacLaine. He also portrays the art scenes of New York and San Francisco during times of ferment and controversy. ISBN 0-914232-99-1: \$20.00.

Careless People Sarah Churchwell 2014-01-23 Kirkus (STARRED review) "Churchwell... has written an excellent book... she's earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page." The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America's carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond generating enormous publicity for the newfound celebrity participants. Proclaimed the "crime of the decade" even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set within that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America's best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature

Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald's masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America.

Punk Rock: So What? Roger Sabin 2002-09-11 It's now over twenty years since punk pogo-ed its way into our consciousness. *Punk Rock So What?* brings together a new generation of academics, writers and journalists to provide the first comprehensive assessment of punk and its place in popular music history, culture and myth. The contributors, who include Suzanne Moore, Lucy O'Brien, Andy Medhurst, Mark Sinker and Paul Cogley, challenge standard views of punk prevalent since the 1970s. They: * re-situate punk in its historical context, analysing the possible origins of punk in the New York art scene and Manchester clubs as well as in Malcolm McClarens brain * question whether punk deserves its reputation as an anti-fascist, anti-sexist movement which opened up opportunities for women musicians and fans alike. * trace punks long-lasting influence on comics, literature, art and cinema as well as music and fashion, from films such as *Sid and Nancy* and *The Great Rock n Roll Swindle* to work by contemporary artists such as Gavin Turk and Sarah Lucas. * discuss the role played by such key figures as Johnny Rotten, Richard Hell, Malcolm McClaren, Mark E. Smith and Viv Albertine. *Punk Rock Revisited* kicks over the statues of many established beliefs about the meaning of punk, concluding that, if anything, punk was more culturally significant than anybody has yet suggested, but perhaps for different reasons.

Led Zeppelin Crashed Here Chris Epting 2007 "Pop culture historian Chris Epting takes you on a journey across North America to the exact locations where rock and roll history was made. Conceptual Art Alexander Alberro 2000-08-25 This landmark anthology

collects for the first time the key historical documents that helped give definition and purpose to the conceptual art movement. Compared to other avant-garde movements that emerged in the 1960s, conceptual art has received relatively little serious attention by art historians and critics of the past twenty-five years—in part because of the difficult, intellectual nature of the art. This lack of attention is particularly striking given the tremendous influence of conceptual art on the art of the last fifteen years, on critical discussion surrounding postmodernism, and on the use of theory by artists, curators, critics, and historians. This landmark anthology collects for the first time the key historical documents that helped give definition and purpose to the movement. It also contains more recent memoirs by participants, as well as critical histories of the period by some of today's leading artists and art historians. Many of the essays and artists' statements have been translated into English specifically for this volume. A good portion of the exchange between artists, critics, and theorists took place in difficult-to-find limited-edition catalogs, small journals, and private correspondence. These influential documents are gathered here for the first time, along with a number of previously unpublished essays and interviews. Contributors Alexander Alberro, Art & Language, Terry Atkinson, Michael Baldwin, Robert Barry, Gregory Battcock, Mel Bochner, Sigmund Bode, Georges Boudaille, Marcel Broodthaers, Benjamin Buchloh, Daniel Buren, Victor Burgin, Ian Burn, Jack Burnham, Luis Camnitzer, John Chandler, Sarah Charlesworth, Michel Claura, Jean Clay, Michael Corris, Eduardo Costa, Thomas Crow, Hanne Darboven, Raúl Escari, Piero Gilardi, Dan Graham, Maria Teresa Gramuglio, Hans Haacke, Charles Harrison, Roberto Jacoby, Mary Kelly, Joseph Kosuth, Max Kozloff, Christine Kozlov, Sol LeWitt, Lucy Lippard, Lee Lozano, Kynaston McShine, Cildo Meireles, Catherine Millet, Olivier Mosset, John Murphy, Hélio Oiticica, Michel Parmentier, Adrian Piper, Yvonne Rainer, Mari Carmen Ramirez, Nicolas Rosa, Harold Rosenberg, Martha Rosler, Allan Sekula, Jeanne Siegel, Seth Siegelaub, Terry Smith, Robert Smithson, Athena Tacha Spear, Blake Stimson, Niele Toroni, Mierle Ukeles, Jeff Wall, Rolf Wedewer, Ian Wilson

Grace Grace Coddington 2012-11-20 Grace Coddington, at age 70, has been the Creative Director of Vogue magazine for the past 20 years. Her candour, her irascibility, her commitment to her work, and her always fresh and original take on fashion has made her, after Anna Wintour, the most powerful person in fashion. Acquired after an intense auction among every major publisher, this woman who became an unwilling celebrity captured the hearts of everyone when she was revealed in the movie as the creative force behind the throne at Vogue. Having grown up

on a backwater island in Wales, she came to London just in time to be discovered as a dazzling model by the famous Norman Parkinson, then went on to shape the pages at Vogue for 19 years where she worked as Creative Director with many luminaries including the young Wintour. Lured by Calvin Klein to run his New York operation she then jumped back to American Vogue when Wintour returned to America in 2003. She has been there ever since.
