The Celestine Prophecy James Redfield 1995-09-01 THE #1
BESTSELLING INTERNATIONAL PHENOMENON - NOW WITH A NEW
PREFACE You have never read a book like this before--a book that comes
along once in a lifetime to change lives forever. In the rain forests of
Peru, an ancient manuscript has been discovered. Within its pages are 9
key insights into life itself -- insights each human being is predicted to
grasp sequentially; one insight, then another, as we move toward a
completely spiritual culture on Earth. Drawing on ancient wisdom, it tells
you how to make connections among the events happening in your life

right now and lets you see what is going to happen to you in the years to
come. The story it tells is a gripping one of adventure and discovery, but
it is also a guidebook that has the power to crystallize your perceptions
of why you are where you are in life and to direct your steps with a new
energy and optimism as you head into tomorrow. Praise for The Celestine
Prophecy "A gripping adventure story filled with intrigue, suspense, and
spiritual revelations." - Commonwealth Journal "A spiritual classic...a
book to read and reread, to cherish, and to give to friends." - Joan
Borysenko, PhD, author of Fire in the Soul "In his inimitable style of
great storytelling, Redfield opens us up to a world of insight, inspiration,
synchronicity, and power." - Deepak Chopra
